<b>Welcome</b>	MB/ GE
<p><b>Presentation of MNI Medical Nutrition Industry</b> by Mrs Elena Miceli: activities and how can the industry support research in critically ill patients – see : <a href="https://medicalnutritionindustry.com/about-mni/who-is-who/">https://medicalnutritionindustry.com/about-mni/who-is-who/</a></p> <p>@SJ Schaller will contact ESICM office to find reason for the absence of answers and feedback from ESICM office/CEO in June</p>	10 min
<p><b>Research projects</b> (published and under publication): <b>terminated or update</b></p> <ul style="list-style-type: none"> <li>○ <b>publication of iSOFA study and iSOFA “substudy”</b> in Clin Nutr &amp; Clin Nutr ESPEN, further substudy on GRV is in the making (GE, KB) Validation of GIDS score is planned <a href="#">Further proposals to use the iSOFA database are welcome</a> Combining iSOFA&amp;IROI databases with planned projects IAH&amp;AKI and IAH prediction tool</li> <li>○ <b>ESPEN Survey AMI had 500 respondents</b> : Further AMI projects including multicenter, observational study are being planned, comment by Zudin that project on ultrasound small bowel evaluation with respect to (A)MI is in progress, with both studies potentially be used</li> </ul>	ARB
<ul style="list-style-type: none"> <li>○ <b>Hypophosphataemia prospective study</b> <ul style="list-style-type: none"> <li>● Big disappointment for CI (and fr all) who did not obtain the French EC waiver approval – the EC considered it to be prospective</li> <li>● Working group created including (AvZ): Arthur vZ, Stefan SJ, Jan G., Cecilia L., A. Reintam-Blaser, J Wernerman, O. Rooyackers (by mail) - first aim check/improve the protocol and organize WG meeting</li> <li>● MB to send actual protocol to the group (done 25SEP)</li> </ul> </li> </ul>	CI
<ul style="list-style-type: none"> <li>● <b>CONCISE study:</b> good progress with 150 participants (including 40 patients) from 4-5 different countries, 3<sup>rd</sup> email round</li> </ul>	ZP
<ul style="list-style-type: none"> <li>● <b>MEN Chair Election Update: Two candidates!</b> Michael Casaer &amp; Arthur van Zanten: please vote!!! votings open (SEP 22-29)</li> </ul>	
<ul style="list-style-type: none"> <li>○ <b>LIVES: <a href="https://y-congress.com">Programme (y-congress.com)</a></b> : Programme review, not as planned by our proposals, no live session, most is VOD - disappointing</li> <li>● <b>Coffee-breaks during lives: <a href="#">ESICM Searching for</a> Volunteers</b> who would be asked to keep an eye on a written forum for slots of a few hours, and to feed/revisit/link the discussion to the online/VOD program.</li> </ul>	MB/GE

<p>Proposal discussed as to how meaningful these forum are given the poor feedback from LIVES 2020 (only written chat function – no real exchange).</p> <p>Email sent (18SEP) by Mette &amp; Gunnar to Armand Girbes and Cindy with the 5 volunteers from our section (Jan W, Michael C, Jan G, Elisabeth dW, Mette B)</p> <ul style="list-style-type: none"> <li>• 3 VOD topics from the section to start the discussions: to be finalized after return from ESICM Office</li> </ul>	
<ul style="list-style-type: none"> <li>○ <b>Varia</b> : E. de Waele again stresses the need for changing the section name (MEN considered ridiculous by the section despite being the acronym of actual content), so proposals are most welcome until next scheduled meeting and then members should vote, ideas so far were: NEM, MENU (if U is considered for ultrasound, muscle and GI ultrasound)</li> </ul> <p>Name change to be agended during next meeting</p>	

**NEXT online MEN section meeting scheduled for Friday 10th DEC - 16:00-17:00 CET !!**

Thank you for participation 😊

With warm regards from

MM Berger & G Elke, 26 september 21
