DO NOT MISS!

HIGHLIGHTS OF THE CONGRESS

1. NEXT LOUNGE

Exhibition Area

The place for young intensivists and ICM trainees to meet up, mingle and enjoy a specially designed parallel scientific programme.

2. ESICM MEMBERS LOUNGE

Exhibition Area

Visit the ESICM Members Lounge! Relax, refresh and network with other members.

3. e-AREA

Exhibition Area

Come to our e-Area and access all of the ESICM LIVES cutting-edge content in one handy place!

4. POSTER CORNERS

Exhibition Area

Abstract presenters will discuss their data in Poster Corner sessions moderated by world-class experts. Presenters will make a 4 minute presentation followed by a 3 minute time slot for comments and discussion by the audience.

5. LIVES INTERACTIVE DEBATES

Exhibition Area

Take part in in-depth discussions about complex problems/situations that clinicians address in daily practice. Experts from various areas of intensive care medicine are invited to speak on a set topic, then the moderator and audience can join the debate.

6. SIMULATION CENTRE

Entrance Hall/Level 0

Come to our new interactive area where you can get hands-on practice and follow sessions in mechanical ventilation, TEE, ECMO or difficult airway management.

7. SOCIAL MEDIA CORNER

Exhibition Area

A dedicated area where delegates can read the continuous #LIVES2017 Twitter feed.

8. TECH LOUNGE

Exhibition Area

Watch demonstrations of the latest technology to analyse big data, see how tele medicine works and discuss how future developments in technology can change the way we practise. Dynamic sessions, where you can participate and contribute to the discussion onsite and via social media.

9. INTERACTIVE SESSIONS

Rooms Athens, Barcelona, Glasgow, Lisbon, Paris, Milan

Test your skills and receive immediate feedback thanks to the live voting function in the ESICM LIVES 2017 App.

All sessions with this icon have interactive content.

10. LIVES NOTES

All Rooms

Discover our new interactive tool LIVES Notes, which allows you to make notes on the presentations, directly onto your tablet.
