

**ESICM**  
**LIVES FORUM**

---

**NICE**

---

**6-8 JUNE 2019**

 Thursday 6 June

Thu 6 Jun  
14:15 - 14:30

**Opening Ceremony**

Plenary

Main room

14:15 Opening Ceremony

---

Thu 6 Jun  
14:30 - 15:00

**Opening Lecture**

Plenary

Main room

14:30 Move from Acute Renal Failure to Acute Kidney Disease

---

Thu 6 Jun  
15:00 - 16:40

**Acute Kidney Injury (AKI) & Acute Liver Failure (ALF): Background**

Plenary

Main room

15:00 AKI: Epidemiology: Data from recent studies

---

15:25 ALF: Epidemiology on ICU: Is it all alcohol and drugs?

---

15:50 AKI: Pathophysiology: Unifying theories?

---

16:15 Acute Liver Failure Pathophysiology: New mechanisms?

---

Thu 6 Jun  
16:40 - 17:10

**Coffee Break**

Break

Lobby

Thu 6 Jun  
17:10 - 18:25

## Organ Crosstalk

Plenary

Main room

17:10 Organ Crosstalk: Systemic effects of AKI

---

17:35 Organ Crosstalk: Systemic effects of ALF

---

18:00 Organ Crosstalk: Systemic effects of acute pancreatitis

---

Thu 6 Jun  
18:30 - 19:30

## Networking Reception

Break

Lobby

## Friday 7 June

Fri 7 Jun  
08:00 - 09:00

## Breakfast - Symposium

Plenary

Main room

Fri 7 Jun  
09:00 - 10:40

## Diagnosis of AKI

Plenary

Main room

09:00 The classical biomarkers (creatinemia & diuresis)

---

09:25 How to use creatinine clearance?

---

09:50 Which biomarkers for an early diagnosis & prognosis

---

10:15 Ultrasound & AKI

---

Fri 7 Jun  
10:40 - 11:10

## Coffee Break

Break

Lobby

Fri 7 Jun  
11:10 - 12:50

## Hepatorenal Syndrome (HRS)

Plenary

Main room

11:10 Hepatorenal Syndrome: A special form of AKI?

---

11:35 HRS: Pathophysiology

---

12:00 HRS: Best treatment(s)

---

12:25 Extracorporeal support for HRS: When and how?

---

Fri 7 Jun  
13:00 - 14:00

## Workshop or Symposium

Plenary

Main room

Fri 7 Jun  
14:15 - 15:55

## AKI: Prevention & Management

Plenary

Main room

14:15 Maintaining macrocirculation with fluid resuscitation?

---

14:40 Maintaining macrocirculation with vasopressive agents?

---

15:05 Prevention of nephrotoxic agents: When and how?

---

15:30 Do we need diuretics?

---

Fri 7 Jun  
15:55 - 16:25

## Coffee Break

Break

Lobby

Fri 7 Jun  
16:25 - 18:05

## Renal & Liver function recovery & Follow up

Plenary

Main room

16:25 AKI: A scar for life?

---

16:50 AKI & AKD: What follow up should we arrange?

---

17:15 ALF: Initial therapies

---

17:40 ALF: Transplantation: Who to refer and when?

---

## Saturday 8 June

Sat 8 Jun  
08:00 - 09:00

## Breakfast - Symposium

Plenary

Main room

Sat 8 Jun  
09:00 - 10:40

## Renal Replacement Therapy (RRT)

Plenary

Main room

09:00 AKI & RRT: When?

---

09:25 AKI & RRT: How?

---

09:50 AKI & RRT: Anticoagulation

---

10:15 Citrate: Safe in ALF?

---

Sat 8 Jun  
10:40 - 11:10

## Coffee Break

Break

Lobby

Sat 8 Jun  
11:10 - 12:00

## Acute Pancreatitis

Plenary

Main room

11:10 Acute Pancreatitis: Aetiology & pathophysiology

---

11:35 Acute Pancreatitis: Complications & surgical intervention

---

Sat 8 Jun  
12:00 - 12:50

## Nutritional Considerations

Plenary

Main room

12:00 AKI: Nutritional considerations

---

12:25 ALF: Nutritional considerations

---

Sat 8 Jun  
12:50 - 13:00

**Closing Ceremony**  
Plenary

Main room

12:50 Closing Ceremony

---
