

LIVESNote - QUICK START GUIDE

We have developed a Note Interface. Here is more information and instructions on how to use it. In all rooms, you will be able to take some notes on the current presentation except Industry Sponsored Sessions. As an ESICM Member, you will receive all your notes by email after the congress. Not yet a member? Come to our ESICM Booth in the Exhibition Area and join our community.

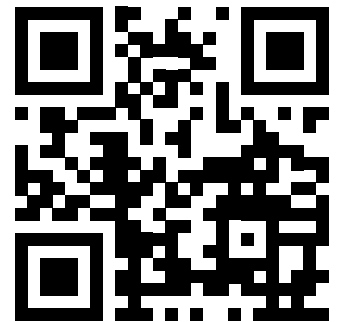

LIVESNote interface allows to:

- › see the slides of the current presentation
- › drawn some lines to highlight some parts of the slides
- › **write some notes**

 **WiFi Connection & password «LIVES2018/lives2018»**

 **URL Connection «<http://livesnote.lan>»**

QR code

The LIVESNote Interface is also accessible from the official App of the Congress.

Connection form

Connect using your email.
