

# Level 3

## HIGHLIGHTS OF THE CONGRESS

# Level 2

### 1. ARENA

Exhibition Area | LEVEL 2

One speaker, one chair, no slides. Featuring daily Unplugged Sessions with the biggest names in ICM, this new scientific zone will also highlight the 130 best abstracts and provide an opportunity to interact with presenters.

### 2. NEXT LOUNGE

Exhibition Area | LEVEL 2

The place for young intensivists and ICM trainees to meet up, mingle and enjoy a specially designed parallel scientific programme.

### 3. ESICM MEMBERS LOUNGE

Exhibition Area | LEVEL 3

Visit the Members Lounge! Relax, refresh and network with other members.

### 4. e-AREA

Exhibition Area | LEVEL 3

Come to our e-Area and access all of the LIVES cutting-edge content in one handy place!

### 5. POSTER CORNERS

Exhibition Area | LEVELS 2 & 3

Abstract presenters will discuss their data in Poster Corner sessions moderated by world-class experts.

### 6. SIMULATION CENTRE

Exhibition Area | LEVEL 2

Come to our interactive area where you can get hands-on practice and follow sessions in Mechanical Ventilation, TEE/TOE, ECMO or Bronchoscopy.

### 7. LIVES INTERACTIVE DEBATES

Exhibition Area | LEVEL 3

Take part in in-depth discussions about complex problems/situations that clinicians address in daily practice. Experts from various areas of intensive care medicine are invited to speak on a set topic, then the moderator and audience can join the debate.

### 8. TECH LOUNGE

Exhibition Area | LEVEL 3

Watch demonstrations of the latest technology to analyse big data, see how tele medicine works and discuss how future developments in technology can change the way we practise. Participate and contribute to the discussion onsite and via social media.

### 9. INTERACTIVE SESSIONS

Rooms Athens, Barcelona, Berlin, Geneva, Glasgow, Paris, Rome, Stockholm, Vienna

Test your skills and receive immediate feedback thanks to the live voting function in the ESICM LIVES 2018 App.

All sessions with this icon have interactive content.

### 10. LIVESNote
