

The Intensive Connection

LIVES FORUM NICE 6-8 JUNE 2019

AKI AS A SYNDROME

FROM PATHOPHYSIOLOGY TO TREATMENT

www.esicm.org

LEARNING OBJECTIVES_

This conference aims to deliver the most recent practical concepts around AKI syndrome, moving from the management at the acute phase to long-term renal dysfunction. Suitable not only for physicians and specialists, this 3-day conference offers nurses and other allied healthcare professionals comprehensive training with both foundational lectures and hands-on workshops designed to enhance care at the bedside.
