ACCREDITATION & CERTIFICATE OF ATTENDANCE_

LIVES 2018 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with European CME credits (ECMEC®s). To receive your certificate and CME credits after the congress, you must scan your badge daily at the Self-Printing Terminals on Level 0 of the Palais des Congrès: opening times - Monday & Tuesday after 16:00 - Wednesday after 12:00. After the congress, you will receive an email inviting you to log in to our platform in order to download your certificate.

ABSTRACT BOOK_

All accepted abstracts are published in electronic format on the ESICM website (ICMx supplement of October 2018).

WELCOME

LIVES 2018 is our 31st Annual Congress, combining science and learning with interactive debates, high tech demonstrations, simulations and networking: a not to be missed event for intensive care professionals worldwide.

This year we have chosen to return to Paris, a city of lights, iconic monuments, gastronomy, haute couture fashion, history, culture and eternal beauty. We hope that you will enjoy what the congress will deliver, as well as some of the magic that this city has to offer.

We warmly welcome you to LIVES 2018 for an exhilarating congress experience.

HIGHLIGHTS OF THE CONGRESS

Level 2

1. ARENA

Exhibition Area | LEVEL 2

One speaker, one chair, no slides. Featuring daily Unplugged Sessions with the biggest names in ICM, this new scientific zone will also highlight the 130 best abstracts and provide an opportunity to interact with presenters.

2. NEXT LOUNGE

Exhibition Area | LEVEL 2

The place for young intensivists and ICM trainees to meet up, mingle and enjoy a specially designed parallel scientific programme.

3. ESICM MEMBERS LOUNGE

Exhibition Area | LEVEL 3

Visit the Members Lounge! Relax, refresh and network with other members.

4. e-AREA

Exhibition Area | LEVEL 3

Come to our e-Area and access all of the LIVES cutting-edge content in one handy place!

5. POSTER CORNERS

Exhibition Area | LEVELS 2 & 3

Abstract presenters will discuss their data in Poster Corner sessions moderated by world-class experts.

6. SIMULATION CENTRE

Exhibition Area | LEVEL 2

Come to our interactive area where you can get hands-on practice and follow sessions in Mechanical Ventilation, TEE/TOE, ECMO or Bronchoscopy.

7. LIVES INTERACTIVE DEBATES

Exhibition Area | LEVEL 3

Take part in in-depth discussions about complex problems/situations that clinicians address in daily practice. Experts from various areas of intensive care medicine are invited to speak on a set topic, then the moderator and audience can join the debate.

8. TECH LOUNGE

Exhibition Area | LEVEL 3

Watch demonstrations of the latest technology to analyse big data, see how tele medicine works and discuss how future developments in technology can change the way we practise. Participate and contribute to the discussion onsite and via social media.

9. INTERACTIVE SESSIONS

Rooms Athens, Barcelona, Berlin, Geneva, Glasgow, Paris, Rome, Stockholm, Vienna

Test your skills and receive immediate feedback thanks to the live voting function in the ESICM LIVES 2018 App.

All sessions with this icon have interactive content.

10. LIVESNote

All Rooms

Discover our interactive tool LIVESNote, which allows you to take notes on the presentations, directly onto your tablet.

SESSIONS OF SPECIAL INTEREST FOR NURSES & AHP

LIVESNote - QUICK START GUIDE

We have developed a Note Interface. Here is more information and instructions on how to use it. In all rooms, you will be able to take some notes on the current presentation except Industry Sponsored Sessions. As an ESICM Member, you will receive all your notes by email after the congress. Not yet a member? Come to our ESICM Booth in the Exhibition Area and join our community.

LIVESNote interface allows to:

- › see the slides of the current presentation
- › draw some lines to highlight some parts of the slides
- › write some notes
