The central graphic is a large, 3D-rendered shape resembling a stylized heart or a medical monitor screen. It is composed of multiple overlapping, curved layers in shades of red, orange, and yellow, creating a sense of depth and movement. The text 'LIVES 2020' is prominently displayed in large, white, bold, sans-serif letters across the top of this graphic. Below it, '33RD ANNUAL CONGRESS' and 'MADRID' are written in smaller, white, bold, sans-serif letters. At the bottom of the graphic, the dates '10-14 OCTOBER' are displayed in the same style. The background of the entire poster is a light teal color with a grid pattern and various faint, light blue icons related to medicine and healthcare, such as a syringe, a lightbulb, a person, and a building.
