VIRTUAL SYMPOSIUM

Optimizing Enteral Feeding in ICU Using the smART+ Platform

#LIVES2020

Prof. Pierre Singer, MD

Critical Care Department
& Institute for Nutrition Research,
Rabin Medical Center, Sackler School of Medicine,
Tel Aviv University

Professor Pierre Singer has more than 30 years of clinical and academic experience. He is the Director of the General Intensive Care Department and of the Institute for Nutrition Research at the Rabin Medical Center, Beilinson Hospital, Israel, and is Full Professor of Anesthesia and Intensive Care at Tel Aviv University, Israel. Professor Singer has served as Chairman of the European Society for Clinical Nutrition and Metabolism (ESPEN) from 2004 to 2008 and is a co-author of the recent ESPEN statements on nutrition care for the COVID-19 patient.

Monday 7th December 12:30 to 13:00 CET

Join Prof. Pierre Singer, MD
for a live virtual symposium on Monday,
7th December to learn how to:

- Implement the ESPEN Guidelines effectively.
- Prevent gastric reflux and aspiration in real-time.
- Eliminate risk of underfeeding and malnutrition.
- Achieve 100% target nutrition.

Sign up to receive an invitation
for a deep dive session with Prof. Singer on
how to achieve Optimal Nutrition in ICU.
