

## Access Instructions Trainee

### Registration procedure:

1. **FIRST STEP.** The trainee must use the registration link provided to register online on the **basic pre-registration form**: <https://initiatives.academy.esicm.org/login/signup.php> The email used in the pre-registration form shall be the one used for the rest of the training.
2. **SECOND STEP.** On the completion of the pre-registration form, the trainee will receive a notification by email (titled “**account confirmation**”) with a confirmation link. The trainee will need to click on the confirmation link received and will be automatically directed to the ESICM online platform.

### Course access:

- Enrol the course: Once the trainee access to the platform, they must visit the online platform where they can click on their course **Antimicrobial Stewardship** and **Enrol** themselves in the course: <https://initiatives.academy.esicm.org/>
- Mandatory Activities to enable content: The first action the trainee must take when they enter their course is to complete the **Trainee Application Form** and then the **PRE-TEST** Quiz (available in the Online self-study TAB). Once the Trainee Application Form and PRE-TEST Quiz are completed then **Module 1** will become available.

### **VERY IMPORTANT!**

- **Trainees shall register only ONCE and use ONE email throughout the entire learning programme.**
