

The Intensive Connection

Chairperson of the Clinical Training Sub-Committee

Prerequisites for candidates

Profile

- Candidates must be an ESICM Ordinary member or Honorary member
- Candidates must be working in Europe

They are expected to

- Have or have had a senior position in a European ICU
- Have experience with the organisation of training activities on a national and international level.
- Be an established specialist in current practice Intensive Care Medicine with at least four years of experience after board examination and practising in Europe.
- Have an established track record in post-graduate training in Intensive Care Medicine.

Conditions of participation

Candidates complying with the profile for the job should apply to the ESICM Secretary, using the appropriate application form. Selection of candidates will be made by the Executive Committee based on the pre-established profile according to the information enclosed in the application form and compliance with the person specification. Attendance for interview may be deemed necessary by the Executive Committee. Candidates deemed by the Executive Committee to meet the required profile are presented to the Council for election.

Election and term of office

- The Council shall decide by election, the winner being the candidate with the majority of votes. In case of equal vote, seniority (in terms of duration of ESICM membership) will decide the outcome; in the case of equal seniority, the vote of the President shall prevail.
- The elected Chairperson will serve for a single two-year term of office.
- Election details and term of office are explained in the General SOPs

The Intensive Connection

Job description

Background information

The Clinical Training Sub-Committee is a permanent committee of the Education and Training Committee and aims to develop, maintain, promote and organise the delivery of training courses for intensive care medicine, in accordance with the strategy developed by the ETC Committee and validated by the Executive Committee.

Responsibilities

- The Chairperson is a member of the Council
- The Chairperson has to nominate, with the approval of the Executive Committee, the 6 members who will compose the Clinical Training Sub-Committee.
- To maintain and promote a training programme for intensive care medicine, based on the concepts of CoBaTrICE
- To develop and promote a series of educational courses, that are consistent with the overall strategy of the Society, including exam preparation courses and an annual business planning process underpinning these.
- To develop and promote the education and training activities of the ESICM
- To provide advice on training and standards to the Society.
- To liaise with the EDIC Examinations, e-Learning, and CoBaTrICE Sub-Committees, in order to harmonise education and training goals.

Reporting relationships

The Chairperson of the Clinical Training Committee will report to the Education and Training Committee.
