

BAXTER'S PRACTICAL TUTORIAL

Organ Support Therapies and Expanded Capabilities of a CRRT Machine

Date: Monday 23rd or Tuesday 24th October
You can choose the day you want to attend.

Time: 12.45 – 13.45

Room: Amber 1-2, Level 2

Agenda

| Time (CET) | Topic | Presenter |
|---------------|---|--|
| 12.45 – 13.00 | What is ECCO ₂ R and how does it work on a CRRT Device? | Sascha Koenig, (Giessen, Germany) |
| 13.00 – 13.20 | Practicalities of setting up and troubleshooting ECCO ₂ R on a CRRT Device | Roberta Montenegro, (Rome, Italy) |
| 13.20 – 13.35 | Role of blood purification and how it can be combined with CRRT | Sjoerd Schaaf, (Brantgum, Netherlands) |
| 13.35 – 13.45 | Practicalities of setting up and troubleshooting a blood purification filter on a CRRT Device | John Hendrix, (Brunssum, Netherlands) |

Our presentation will be combined with a live interactive demonstration of the CRRT Device, where you can learn in practice and ask questions. **Don't miss it.**
