

The Intensive Connection

Antimicrobial Stewardship for Severe Infections: Learning pathway

Kick off webinar

March 1st 2023 at 16:00 h CET (*Central European Time*)

16:00	Welcome and expert introduction	<i>A. CONWAY MORRIS</i>
16:05	Presentation of the learning pathway	<i>A. CONWAY MORRIS</i>
16:15	Brief introduction to AMS	<i>J. DE WAELE</i>
16:25	Team work	<i>E. CONOSCENTI</i>
16:35	What does the intensivist need to know, heterogeneity of ICU patients	<i>M. LEONE</i>
16:45	Diagnostics -identifying the bug, identifying resistance mechanisms	<i>C. ROGER</i>
16:55	Timing, timing, timing (initiation and duration of antibiotics, source control)	<i>C. MCKENZIE</i>
17:05	Getting the dose right – loading doses, maintenance, TDM and adjustment	<i>B. O'FARRELL</i>
17:15	Intelligence on antimicrobial consumption, resistance mechanisms and prevalence; policies and guidelines	<i>H. BRACHT</i>
17:25	Next steps and Conclusions	<i>A. CONWAY MORRIS & M. GIRARDIS</i>
