

Advanced Course in ECLS/ECMO
JOINT EVENT EuroELSO & ESICM
June 11-12, 2025

DAY 1, June 11, 2025

Morning session

Moderators:

N. Barrett & J. Riera

09:00 Welcome/Objectives of the Day/ Ice-breaking activity

J. Bělohlávek & D. Dauwe

09:15 VV-ECMO for adult respiratory failure

Moderator:

*M. Schmidt
T. Müller*

10:30 Short topics:

- 20': Procedures on ECMO
- 20': Intra and inter-hospital transportation on ECMO
- 20': ECMO and infections

*D. Rob
L. Carson-Price
J. Riera*

11:30 BREAK

11:45 Circuit complications

L. Carson-Price

12:30 Q&A

12:45 LUNCH

Afternoon session

Moderators:

T. Müller & D. De Backer

13:45 Welcome back

13:50 Role of imaging for safe ECMO cannulation and troubleshooting

D. Dauwe

14:30 Clinical case workshop: ECMO for adult respiratory failure

J. Riera & S. Wulczynska

15:45 BREAK

16:00 ECMO for refractory cardiac arrest (ECPR)

- Evidence
- Indications and contra-indications
- Postresuscitation care and neuro prognostification on ECMO
- Nursing issues
- How to organize an ECPR program

*Led by J. Bělohlávek
J. Bělohlávek
J. Bělohlávek
J. Bělohlávek/D. Rob
S. Wulczynska
J. Bělohlávek / A. Hulin*

17:15 Q&A

17:30 END DAY 1

DAY 2 – June 12, 2025**Morning session***Moderators:**M. Belliato & D. Dauwe*

09:00	Welcome/Objectives of the Day	<i>J. Bělohlávek & D. Dauwe</i>
09:15	ECMO for adult cardiac failure: Assessment and treatment of complications secondary to patient – VA-ECMO interactions	<i>D. Dauwe</i>
	- Focus on left heart congestion & ventriculoatrial uncoupling: medical and surgical unloading strategies	
	- Other: Differential oxygenation, limb ischemia	
10:30	Weaning from VA-ECMO support (including echocardiography assessment)	<i>D. Donker</i>
11:30	BREAK	
11:45	VA-ECMO versus other short-term circulatory support devices (Impella, IABP...)	<i>D. Rob</i>
12:30	Q&A	
12:45	LUNCH	

Afternoon session*Moderators:**D. Dauwe & J. Riera*

13:45	Welcome back	
13:50	Indications and challenges of 'non-standard' ECMO configurations (V-AV, V-P, high flow configurations, V-A with a subclavian return line...)	<i>R. Lorusso</i>
14:20	Clinical case workshop: ECMO for adult cardiac failure	<i>J. Bělohlávek & D. Dauwe</i>
15:35	BREAK	
15:50	Capita Selecta: - 30' Awake ECMO: Potential benefits and pitfalls - 30' Drug management during ECMO support	<i>P. Sklienka</i> <i>D. Tibboel</i>
16:50	Q&A	
17:30	Wrap up / END COURSE
