## Prerequisites for candidates for official ESICM positions

1. Candidates can only apply for one position in the Society. It is not possible to hold two simultaneous positions within the Society.
2. Any elected member may stand as a candidate for a new position in the same year as his or her current term of office ends, i.e. he or she may apply before the General Assembly, only in the last year of his or her mandate.
3. Resignation for any reason before the completion of a mandate does not permit the person to apply for a new position before the theoretical end of the mandate.  
If successfully elected for a new position, it is assumed that candidates should stand down from their previous positions at the General Assembly.
4. Candidates for elected or nominated positions must be ICU professionals who devote most of their clinical, research and educational time to intensive care medicine.
5. Candidates for elected or nominated positions are expected to read and accept both the prerequisites to stand and the job descriptions.
6. Candidates for elected or nominated positions should have filled in and signed the ESICM Conflict of Interest Form.
7. Candidates for both nomination and election must serve the interest of ESICM and therefore must respect a framework of principles and rules that govern their conduct regarding ethics and integrity. They are expected to sign the ESICM Code of Conduct AND the specific Code of Conduct for ESICM Elections when standing for an elected position.
8. To apply to an elected position, candidates cannot place themselves under any obligation or time constraint to any international organisation which might affect their ability to act impartially and objectively as ESICM Officers in the best interest of ESICM members, as long as the ESICM mandate or election period is running
9. Candidates for an elected position commit to devoting the necessary time to the organisation and smooth running of tasks within the Committee or Section they apply for.
10. All elected officers can hold positions once, except the ICM & ICMx Editors-in-chief
11. All nominated positions will be for two years, renewable once.
12. No one who has already held two different elected positions in the Executive Committee can stand for further election within 6 years from the end of their last mandate, except the Presidency
13. No one who has already held an elected position in the Executive Committee can apply for any elected position outside the Executive Committee.
14. The ballot shall be open only if there are two or more candidates for an elected office
15. The EC is responsible for monitoring the election process to guarantee diversity and inclusiveness among all candidates.  
current applications. Examples of this, but not limited to, are situations in which there is only one candidate for several elected positions. If no eligible candidate stands, the Executive Committee will nominate a member from the (Sub-)Committee ad interim until a candidate comes up.

The Executive Committee shall review the application criteria and decide upon the eligibility of each candidate.
