Details on your candidature

I am Professor in intensive care medicine at Nice teaching hospital. I am responsible for teaching intensive care medicine at the university and I head the CARRES research unit, which works on cardiovascular and respiratory physiology in ICU. My research activities have resulted in more than 100 international publications. I have been involved with the French Intensive Care Society (FICS) since 2011 and have been involved in several sections. I have been the Chair of the Congress Committee of FICS for the past two years.

I have also been involved with ESICM since 2011 as active member of the Cardiovascular dynamics (CD) section. I currently lead various research projects endorsed by the CD section and I am the CD section representative on the ESICM Research Committee. As the French representative, you can be ensure that I will do my best to liaise between ESICM

and French intensivists, to represent the views of French intensivists within the council and to help French intensivists' projects to be endorsed by ESICM.
