Details on your candidature

I'm very interested in this opportunity, as I am currently pursuing a PhD at the University of Amsterdam focused on mechanical power. In addition to my academic work, I practice as a physician in the ICU, where I engage with ventilation and pulmonary disease daily. It's an area I'm deeply passionate about, both clinically and scientifically.

I just got published (Sept 17th) on JAMA SURGERY as first author, then others publications are online.

My clinical training and work have been international, including positions at the AKH

Hospital in Vienna and the Amsterdam UMC, where I further developed my skills in adult intensive care. Additionally, I have worked with pediatric patients at the Gaslini Children's Hospital in Italy. As PhD I writing the thesis.

Additionally, I have participated in numerous international congresses, presenting posters and I was one of the speakers at the ESICM Jamboree.
