

JSICM

## DAY 1 – March 5, 2026

### 14:00-14:10 – Opening remarks

### 14:10-14:50 (40 min)

#### Perspectives on sepsis guidelines

Speakers	Lecture Title (15 min lecture + 5 min discussion)
Jan DE WAELE	Biomarkers to guide antimicrobial use in sepsis and septic shock
Moritoki EGI	Antipyretics
Chairs	
Marlies OSTERMANN & Nobuaki SHIME	

### 14:50-15:30 (40 min)

#### Round table - What is the future of guidelines in intensive care?

Jan DE WAELE, Moritoki EGI

Chairs: Marlies OSTERMANN & Nobuaki SHIME

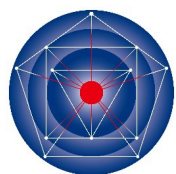

### 15:30-15:50 (20 min) - Tea break

### 15:50-17:10 (80 min)

#### Recent advances in respiratory management for ARDS

Speakers	Lecture Title (15 min lecture + 5 min discussion)
Giacomo GRASSELLI	Assessment of respiratory mechanics, drive and effort during assisted modes of ventilation
Hiroki TAENAKA	New Approach to Facilitate Liberation from Mechanical Ventilation in Tracheostomized Patients: A High-Flow Connector Generating Dynamic PEEP
Leo HEUNKS	Optimal timing for the transition from controlled to assisted ventilation mode
NISHIKIMI	Advancing ARDS Care with the J-CARVE Registry: Beyond Optimising Respiratory Physiology and Ventilator Settings
Chairs	
Alexandre MEBAZAA & Muneyuki TAKEUCHI	

## END OF DAY 1

JSICM

## DAY 2 – March 6, 2026

**9:00-10:20 (80 min)**

### Liver–kidney injury in intensive care

Speakers	Lecture Title (15 min lecture + 5 min discussion)
Marlies OSTERMANN	Sepsis-associated acute kidney injury – mechanisms and need for sub-phenotyping
JSICM,	End Points for Clinical Trials in Acute Kidney Injury
Julia WENDON	Cardiorespiratory considerations in liver failure
JSICM,	Blood purification for advanced liver failure
Chairs	
Jean-Louis TEBOULE & Kent DOI	

**10:20-10:40 (20 min) – Coffee break**

**10:40-11:20 (40 min)**

### Management of shock in intensive care

Speakers	Lecture Title (15 min lecture + 5 min discussion)
Jean-Louis TEBOUL	Vasopressor therapy in septic shock: present and future
Alexandre MEBAZAA	Shock: The RV as the Weakest Link
Chairs	
Julia WENDON & Naoki SATO	

**11:20-12:00 (40 min)**

### Case discussion – how to treat severe shock?

Case presentation (JSICM)

Experts: JSICM & Jean-Louis TEBOUL

Chairs: Alexandre MEBAZAA & Naoki SATO

**END OF DAY 2**
